

Physics faculty, 1923-24. Left to right John Garman, Albert Marker, Willibald Weniger, Fred Morgan, ----, William Anderson, ----, Jacob Jordan, Harry Drill.

W. B. Anderson making waves on pond near Corvallis
to demonstrate interference for an illustration for
his text "Physics for Technical Students", 1927-28.

Physics faculty (Albert Marker missing) in 1928-29. Left to right Harold Vinyard, Willibald Weniger, Charles Goodwin, Jacob Jordan, Wendell Wing (?), John Garman, Barbara Burtis, William Anderson, Edwin Yunker, James Morris, Harry Drill.

Physics group in KOAC studio in 1929-30. Left to right, front row, Barbara Burtis, William Varner, William Anderson, Jacob Jordan, Harry Drill. Back row, James Morris, Daryl Chapman, ---, Grant Feikert, Kenneth Eldridge, John Garman, Albert Marker, Edwin Yunker.

Physics Department faculty in 1930-31. Left to right
Lowell Brown, Harry Drill, Grant Feikert, Albert Marker,
W. B. Anderson, John Garman, Fred Morgan, James Morris,
William Varner, Kenneth Eldridge, Jacob Jordan, Barbara
Burtis, Willibald Weniger.

Physics faculty in 1934. Left to right, John Garman, Kenneth Eldridge, Edwin Yunker, William Miller, ---, William Boynton, Willibald Weniger (front), Albert Caswell, William Anderson, Barbara Burtis, ---.
